

WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1909.

MAYSVILLE, KY., SATURDAY, MARCH 24, 1906.

ONE COPY—ONE CENT.

THE DEER OF THE UNION.

No Union man shall purchase a non-Union coffin, or assist in paying for a non-Union coffin. No member of the Union shall act as pallbearer at a funeral where a non-Union coffin is used. (Chicago Federation of Labor.)

We must live on Union avenue.  
And eat of Union bread.  
Must have a Union trademark  
In the hat that's on our head.  
Must don our Union breeches,  
And put on a Union coat,  
And must use some Union paper  
When we wish to write a note.

We must have a Union label  
On tobacco that we smoke.  
We must get a Union uncle  
To relieve us when we're broke.  
Our shoes must all be Union made,  
Umbrellas, too, the same.  
And cards must bear the Union mark  
When we sit in the game.

We must have the Union trademark  
Stamped on everything we eat.  
From the piebald potato  
To the cabbage and the beet,  
For they're likely to boycott us,  
All these Unions if 'tis found  
That we've eaten any veg'ables  
Not raised in Union ground.

We must have a Union housemaid,  
We must have a Union cook,  
We must take a Union paper,  
And must read a Union book.  
We must have a Union shirt on,  
With the label full in view,  
And when it comes to babies—  
They're a Union product, too.

We must have a Union coffin,  
When we're buried, at the last,  
With a Union undertaker.  
That shall screw the lid down fast.  
To a Union cemetery  
They will lay us safe away  
So the angels won't boycott us  
Upon Resurrection Day.

## IF YOU WOULD BE INFLUENCED OR GUIDED FOR YOUR OWN WELFARE

By the experience of 75 of your neighbors and friends, keep this fact ever before your mind: The average GAS BILL per month in 75 residences right here in Mayville—where Gas Ranges were in use last summer for the months of June, July, August and September—was \$2.81. Think of it, 9¢ cents per day. Where are you getting any such value with any 10 cents that you spend? No other means that you can command will work such wonders at so small a cost. Who is there so poor that cannot afford it?

THAT Police Judge at Evansville, Ind., is a peach. A Kentucky Hay Raiser ventured into that town a few days ago laden with \$400. Three Hoosier Cardsharps made his acquaintance, and soon his wealth took a walk along the Seven-up route. Then Judge WINFREY took a hand in the game, and "called" three of the gamesters to the tune of \$2,000 in fines, with costs as long as a woman's postscript added.

LOUISVILLE firemen are an industrious and ambitious set. Two of them recently engaged in a pie-eating contest for a wager of \$5. They were to eat one pie each the first day, two pies each the second day, three the third day, and so on until one man admitted his defeat. When they had reached the twelve pie gannut one fellow fell down on the third, while the other's pie-face was just getting in good working order, finishing his fourth and winning the stake.

The man stammered painfully. His name was Sissons. Especially difficult to him was the pronunciation of his own name. He had the misfortune to stay out late and uproariously one night, and to account for it before the Magistrate at the Police Court next morning. "What is your name?" asked the Court. Sissons began his reply, "Ses—ss—ssss—ss—siss—" "Stop that noise and tell me what is your name," said the Judge, impatiently. "Siss—sss—sss—siss—" "That will do," said His Honor, severely. "Officer, what is this man charged with?" "I think, Your Honor, he's charged with soddy water."

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### TWICE-TOLD TESTIMONY.

Maysville People Are Doing All They Can For Fellow Sufferers.

Maysville testimony has been published to prove the merit of Doan's Kidney Pills to others in Maysville who suffer from bad backs and kidney ills. Lest any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Maysville people saying that the cures they told of years ago were permanent. Here's a Maysville case.

George N. Crawford, blacksmith and wheelwright, at Second and Lee streets, and living at 216 Lee street, Maysville, Ky., says:

"In the spring of 1900 I gave a testimonial telling what Doan's Kidney Pills had done for me, and I am pleased to say I can just as warmly recommend this remedy now as I did then. No other medicine ever gave me such prompt and positive relief from backache and kidney trouble as Doan's Kidney Pills procured at J. James Wood & Son's Drugstore, and I believe them to be by far the best remedy for kidneys there is. Sufferers from such troubles ought to give it a trial."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
